Memorandum

TO : Registrar/TR

DATE: 5 November 1965

FROM : Chief, External Training Branch, RS/TR

SUBJECT: Weekly Activities Report No. 33
1 November - 5 November 1965

25 YEAR RE-REVIEW

1. [] ONE, will attend the Ballistic Missile Staff Familiarization Course beginning 29 November.

2. Informal chats with Lt. Cmdr. Enos, BUWEPS, revealed that a tempest is brewing at New London, Conn. Although there is an increasing requirement for submarine training, New London contemplates discontinuing the Submarine Indoctrination Course because of ceiling cuts. They are discussing the possibility of contracting for civilian employees and thereby continue running the school effectively. [], OSI, will attend the 15 November Class.

3. As a follow up to [] resignation, the ORD Training Officer informed us that [] O/DDS, had called. [] had said that [] should not have to pay the money back because he was going to another Government agency. [] replied that [] was not going to another Government agency but to a private research foundation downtown at a salary of \$21,000 and with numerous fringe benefits.

Our policy according to Colonel White's memo states repayment for Government as well as non-Government employment. Again it points out the need to have something spelled out in the regulations on training agreements.

4. [] IG, will attend the Seminar on Equal Employment Opportunities given by the Federal Bar Association on 8 November 1965.
